Dear Chair DeFazio and Ranking Member Graves,

I am requesting funding for roadway improvements in the surface transportation reauthorization legislation. The project sponsor is the City of West Palm Beach and the project is located in Grandview Heights in West Palm Beach, FL 33401.

The funding is designated for traffic calming facilities on Lake Avenue and Palm Street, a reconfigured roundabout to improve the safety of the crosswalks at the intersection of Palm Street and Georgia Avenue, repaving Palm Street, adding new bicycle lanes on Lake Ave, Palm St. and N. St., and upgrading pavement markings and signage.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: This project will provide upgraded safety for pedestrians, bicyclists, and motorists by providing ADA compliant sidewalks and crosswalks.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lois Frankel
Member of Congress
